

The Prolink logo features the word "PROLINK" in a bold, white, sans-serif font. A white, curved line arches over the letters "O" and "L", and another white, curved line arches under the letters "I" and "N".

PROLINK

A close-up, angled view of a network switch or patch panel. The device is a light-colored metal or plastic rack-mountable unit. It features multiple rows of blue RJ45 ports and fiber optic ports. Several yellow fiber optic cables are plugged into the ports. A white label on the front of the device reads "FIO 12 CUP". The lighting is dramatic, with a bright yellow and blue glow emanating from the cables and ports, creating a sense of high-tech connectivity.

We provide our customers with exceptional PRODUCTS in accordance with the highest international standards and also provide SERVICES that meets our customers' needs or exceeds their expectations.

Powered by: The Prolink logo, consisting of the word "PROLINK" in a bold, white, sans-serif font, with a white, curved line arching over the letters "O" and "L", and another white, curved line arching under the letters "I" and "N".

Discription

ProLink F/O PIGTAIL, LC-SM-1M

Features

-  Low insertion loss, high return loss.
-  Excellent mechanical endurance.
-  High credibility and stability.
-  Good in repeatability and exchangeability.
-  Insert-pull, key-oriented coupling mechanism which allows high repeatable, low-loss connection Simplex, Duplex, and Multi-core accessories for standard or customized structure.
-  PC/UPC/APC Polish.
-  Comply with TelcordiaGR-326-CORE Speciation.
-  The material of the plastic plug complies with the request of UL94V-O and the Standard of RoHS

Description

Items	Specifications 9/125
Type	SM 9/125 Fiber
Application	Communication
Cortication	RoHS, UL, CE, ISO9001
Allowed Lateral Pressure	100 (N/100mm)<1000 (N/100mm)
Allowed Tensile Strength	100N<1000N
Core	One Core
Sheath Material	PVC - LSZH
Connection Structure	PC-LC
Export Markets	Global

Items	Unit	Speciation
Insertion loss	dB	≤0.25
Max. Insertion loss	dB	≤0.30
Repeatability	dB	≤0.10
Changeability	dB	≤0.20
Return loss	dB	≥45
Operation Temperature	°C	-40~+85
Storage temperature	°C	-40~+85
Fiber type	um	9/125
Core number		Single
Durability		>1000times
